

# 42<sup>nd</sup> INTERNATIONAL ASILOMAR CHROMATIN, CHROMOSOMES AND EPIGENETICS CONFERENCE

## Keynote Speaker

---

Michael J. Hendzel, University of Alberta

Myriam Hemberger, University of  
Calgary

Ting Wang, Washington University  
School of Medicine

Carolyn Brown, University of British  
Columbia

Melanie Ott, University of California

## Featured Sessions

---

Epigenetics and Metabolism

DNA Replication and Repair

Epigenetics, Cell Differentiation and Disease

Nuclear Organization

Bioinformatics Approaches for Functional  
Genomics

Regulation of Transcription

Non-coding RNAs

Topological Genome Organization

## Social Media
