

46th Annual International Asilomar Chromatin, Chromosomes, and Epigenetics Conference

ACCEC 2024 | December 12 – 15 2024
Asilomar Conference Grounds, Pacific Grove CA USA

Keynote Speakers

Maria J Aristizabal
Queen's University

Annie Vogel Ciernia
University of
British Columbia

Eric Campos
University of Toronto

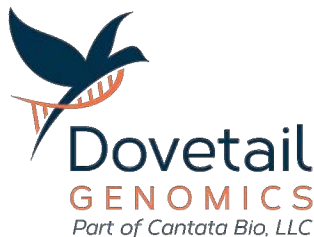

Adrian Erlebacher
University of California
San Francisco

Session topics:

Epigenetics of Aging and Metabolism
Epigenetics of Cell Differentiation and Disease
Chromosomes and Nuclear Organization
Genome Integrity and Cancer
Chromosome Dysregulation
Chromatin and Regulation of Transcription
AI, Computation, and Chromatin
